3 FILES SEARCHED...

LEFT TRUNCATION IGNORED FOR '?CURCUMIN' FOR FILE 'LIFESCI'

LEFT TRUNCATION IGNORED FOR '?CURCUMINOID' FOR FILE 'LIFESCI'

L2 147 L1

Left truncation is not valid in the specified search field in the specified file. The term has been searched without left truncation. Examples: '?TERPEN?' would be searched as 'TERPEN?' and '?FLAVONOID' would be searched as 'FLAVONOID.'

If you are searching in a field that uses implied proximity, and you used a truncation symbol after a punctuation mark, the system may interpret the truncation symbol as being at the beginning of a term. Implied proximity is used in search fields indexed as single words, for example, the Basic Index.
